

Our goal at 21 Plus is to make your gift giving a simple and rewarding experience.

Ways You Can Give

Your gift may support a particular program or initiative. Or you may designate it to the area of greatest need.

Annual Giving

The 21 Plus Foundation Annual Giving Program offers donors the opportunity to establish a relationship with the organization by making an annual gift. Annual gifts, both restricted and unrestricted, provide ongoing financial support for many services and programs offered to the individuals receiving services at 21 Plus.

Unrestricted gifts are those not designated for a specific purpose, therefore allowing the administration and Board of Trustees to determine where there is the greatest need for funds. As funding from the State of NJ and local grants becomes more competitive, this campaign becomes more crucial to our operations.

Restricted gifts are usually chosen by the donor to benefit a specific group home, training center or any of our programs, events, or services.

You can make a secure donation online by clicking "[Donate](#)". If you prefer, you may mail or fax your gift. Please include [Donation Form](#).

Employee Retention Program

21 Plus believes to get the full benefit of workforce investment we need to support the people that define our success. Successful programs such as **Annual Employee Luncheon and the Holiday Open House** go a long way to improve morale, enhance performance and raise retention rates.

Donations restricted to the Employee Retention Program will provide the financial support needed to maintain the programs throughout the year. The Annual Employee Luncheon and the Holiday Open House benefit from your support of this program.

Annual Employee Luncheon

Our employees come together at the Annual Employee Luncheon to celebrate their successes and longevity. Service awards, contests, door prizes, and "thank you" speeches from families and board members make this day a fun celebration. The showcase event honors several employees with the "All Star" award for demonstrating outstanding leadership and contribution to the lives of the people receiving services at 21 Plus.

Holiday Open House

The Holiday Open House is held every December at the administrative offices in Toms River. Employees throughout our sites, bring their families and friends to the office for a bite to eat, vote on the office decorating contest, and enjoy the camaraderie with one another.
